Papers sent to the Council

In their order dated 9th October 1930 passing orders on the Comptroller's audit reports of the accounts of the Central Jail, Bangalore, for the period July 1926 to June 1929, the Government reserved for separate consideration the point raised by the Comptroller that whenever the lowest tender received for supply of raw materials required for use in the manufacturing department of the Jail was not accepted, the Superintendent shall place on record the reasons for not accepting such lowest tender and make them available to the auditors. The Committee's opinion is now requested on this point.

~~[illegible]~~ The Inspector General of Prisons has pointed out that he, and the Superintendent, Central Jail, have powers to reject any tender without assigning any reasons. But this only means that they are not bound to give their reasons to the persons that tender. It seems desirable to insist that the reasons for rejecting the lowest tenders should be recorded in writing, and made available to the audit department and superior officers if required.
